THE INSTITUTION is established for the relief of the Sick Poor of the Town and Neighbourhood of Warrington, and persons sustaining accidents.

Poor people attacked by any sudden indisposition will be immediately relieved without a recommendation ; but they must procure one by the next day to entitle them to continue as patients.

It is earnestly requested that personal inquiry be made into the cases of the patients recommended, and to insert the name of the street where they reside.

Life Governors who wish to have blank printed recommendation forms may be supplied by sending for them to the Infirmary.

Donors of not less than Twenty-five Guineas, and an Executor or Nominee of any person bequeathing One Hundred Pounds, become Life Governors.

The Dispensary

The Dispensary will be opened every day (Sundays excepted) at Nine o'clock in the Morning for dressing wounds ; and at Three in the Afternoon, when those who require a repetition of Medicines must apply.

Medical Attendance for general business will be given every day (Sundays excepted) at times arranged by the Board, and on Sunday in case of emergency.

Patients are required to deposit such sum with the Dispenser which will cover the cost of the bottles, &c., supplied, the same to be given back when the bottles, &c., are returned.

REPORT

OF THE

WARRINGTON INFIRMARY and DISPENSARY

FOR THE YEAR ENDING 31st DECEMBER, 1946

The Board of Management submit their Report, together with Statement of Income and Expenditure for the year 1946.

DEATH OF MR. J. H. SMETHURST

It is only fitting that the report should open on the very great loss the Institution sustained on the sudden death of Mr. Smethurst in March. He had been a member of the Board of Management for 39 years and Chairman for 34 years. During his tenure of office he had seen the hospital grow in importance and providing medical service only obtainable previously at the large city hospitals. His vision of having Consultants attached to this Hospital had come to pass whilst various other additions and improvements had been carried out. His one regret was that a new hospital had not been erected to meet the great demands made on the present inadequate accommodation.

His name will always be associated with the Warrington Infirmary, for whom he laboured so unselfishly during many years.

The Board has decided in order to perpetuate the memory of Mr. Smethurst to name the Children's Ward "The J. H. Smethurst Ward" and also to have placed on the front entrance of the Hospital a metal plaque suitably inscribed.

NEW HEALTH SERVICE ACT

It is now generally known that Voluntary and most other Hospitals will be taken over by the Government in April, 1948, and become part of the National Health Service.

This Hospital, which was founded in 1810, may lose some of its individuality, but it is hoped that it will still retain its main characteristics.

At the present time plans are being made for Regional Hospital Boards to be set up based on University Cities, who will control the hospitals in their areas. It is presumed that a Hospital Management Committee working under the aegis of the Regional Board will manage all the hospitals in the Warrington district.

FINANCIAL AND GENERAL

The announcements and reports in the National Press regarding the Government's intention to take over Voluntary Hospitals has adversely affected the charitably inclined public and the effect on the funds of this hospital is no exception.

For the above reason and the complete cessation of payments by the Ministry of Health under the E.M.S. Scheme the Income shows a further decrease as compared with the previous year. At the same time, the expenditure has soared to a new high level mainly through the increases in rates of salaries and wages of the various staffs. There is now a bank overdraft of £23,475 18s.

As mentioned in the last Report, the X-Ray Department was reorganised in the early part of the year and a new complete diagnostic set purchased. The installation was done with the minimum interruption of the work of the department. The X-Ray work is now first class.

Again the work of the Hospital for the year has been very heavy and reports from the various departments tell of increases in patients.

An Appointments System was started during the year for certain clinics and has worked reasonably well. The main idea being to cut down the waiting period for patients; they are now allocated certain times to come for consultation and/or treatment.

The Waiting List for In-patients has been reduced to 138 at the end of the year, the majority being school tonsil cases. There is very little waiting to-day as the arrangement of using "Thelwall Grange" as a post-operative hospital, where the patients receive treatment whilst convalescing under pleasant conditions, has proved very successful.

PATIENTS

The following table shows the number of patients treated during the year:—

	1946	1945
*IN-PATIENTS	3081	2640
Daily average number of beds occupied	114.59	106.12

NURSING HOME

No. of patients admitted	310	317
Average daily occupation of beds	10.08	10.82

INCOME

1946	1945	1944
£38,838 12s. 7d.	£41,380 8s. 4d.	£48,686 2s. 3d.

There is a decrease of £2,541 15s. 9d. as compared with the previous year. The main cause of this is the cessation of the E.M.S. Scheme and fewer donations received.

EXPENDITURE

1946	1945	1944
£56,310 15s. 9d.	£47,417 12s. 0d.	£47,653 14s. 6d.

The expenditure has soared during the year and practically every item has been affected in this rise. Salaries and Wages of Nurses and other hospital workers has increased by £6,566 over the previous year.

Drugs, Dressings and Instruments also show an increase of £2,729 as compared with the year 1945.

It has been a year of great anxiety for the Board.

BOARD OF MANAGEMENT

Mr. John Inglis was appointed Chairman during the year to fill the vacancy caused by the death of Mr. J. H. Smethurst previously mentioned in this report.

Mr. James Houghton was appointed Deputy Chairman.

MEDICAL STAFF

There have been several changes in the Medical Staff during the past year.

Mr. L. S. B. Tasker, Senior Honorary Surgeon, retired in March on reaching the age limit. He had been a member of the local Honorary Staff since 1920

and the Governors recognising his great service to the hospital appointed him an Honorary Consulting Surgeon.

Dr. O. M. Duthie, Consultant Ophthalmic Surgeon, resigned his post owing to his appointment as Reader in Ophthalmology at the Manchester University.

The Board greatly regretted losing the services of Dr. Duthie who has been on the Specialist Staff since 1938. Their congratulations on the honour which had been conferred were conveyed to him.

Dr. S. B. Smith, of the Manchester Royal Eye Hospital, was appointed Consultant Ophthalmic Surgeon in his stead.

There have been the following temporary changes in the Specialist Staff:—

Mr. M. J. Bennett-Jones, M.Ch., F.R.C.S., has been called to the Services.

Dr. C. P. Brentnall, M.B., F.R.C.O.G., is on sick leave.

Mr. R. Doyle, F.R.C.S., is carrying on Mr. Bennett-Jones work, and Dr. C. E. B. Rickards, M.B., M.R.C.O.G., is deputising for Dr. Brentnall.

Dr. W. C. Latham also resigned his position as Honorary Surgeon to take effect on the 31st December. Suitable thanks were conveyed to him for services rendered.

Dr. G. A. Cary-Lynch resigned his post of part-time Pathologist and the Board, together with the Health Authorities, decided that if possible a full-time Pathologist should be appointed.

There were a number of applicants for the post and out of these

Dr. R. Winston Evans, B.Sc., M.R.C.S., L.R.C.P., was appointed Pathologist to the Infirmary and Corporation Hospitals.

Dr. V. K. Summers, M.D., was appointed Assistant to the Medical Consultant, Dr. E. T. Baker-Bates, during the year.

Dr. J. Meynell returned to his duties as Assistant Ophthalmic Surgeon. He had been in the Forces since 1941.

Mr. D. H. Young, F.R.C.S., was appointed Surgical Registrar in March.

NURSING STAFF

Miss G. M. Hooper, S.R.N., resigned her position as Matron, a post she had held since 1923.

Miss K. M. Bennett, S.R.N., also resigned her position as Assistant Matron

The Board's best wishes went to these two officials on their retirement from the Nursing profession.

Miss M. G. Williams, S.R.N., S.C.M., was appointed Matron from a large number of applicants, and took up her duties on the 5th October. She had previously held the post of Assistant Matron at Addenbrooke's Hospital, Cambridge, and was well recommended.

Miss J. W. Glenn, S.R.N., was appointed Assistant Matron in August.

Mrs. Steel resigned her post as Sister Tutor during the year, and was replaced by Miss M. B. Norbury.

OBITUARY

The Institution lost two stalwart friends during the year: Lady Rylands, and Mr. J. H. Smethurst, reference to whom has already been made.

Lady Rylands had been connected with the hospital for many years through the Ladies' Committee, Ladies' Linen Guild, and various other Committees working for the benefit of this Institution. Her Ladyship took a very real and deep interest in the welfare of the patients, and it was to her indirectly that "Thelwall Grange" became a Convalescent Home and the Board in their gratitude named one of the female wards after her.

The other following friends died during the year:—

Mr. John Randall, Life Governor.

Mr. Edward Massey, Annual Subscriber.

Miss Sarah Woods, Annual Subscriber.

NURSING HOME

It has been decided to revert to the original arrangement and place the control of the Home in the hands of the Matron. For some time it had been worked as a separate unit, but with the shortage of Nursing Staff, etc., it was considered desirable to make this change.

Sister W. Rabbitt has been appointed Senior Sister.

The Income for the past year amounted to £4,615 7s. 9d., and the Expenditure was £4,599 11s. 7d.

ENDOWMENT FUND

The following legacies for endowment purposes have been received and placed to the credit of the above fund:—

Exors. of the late Miss E. A. Jolley				£1,000
do. Mrs. Clara Monks				£1,000

also a grant of £500 3½% War Stock from the R.O.F. Distress Fund, Risley, to endow a cot.

Beds and Cots can still be endowed to perpetuate the memory of some loved one. There is no finer form of memorial.

SPECIAL BUILDING FUND

The following free legacies were received during the year:—

Exors. of the late Miss Selina Oxley			£22 10s.
do. Miss Annie Morgan			£100
do. Mr. John Randall			£600
do. Mr. G. C. Miller (balance)			£8 8s. 9d.
do. Miss Mary Hartley			£1,000
do. Miss E. A. Jolley			£4,000
do. Mr. J. H. Smethurst			£100

There was also a donation of £149 7s. 2d., being the balance of the Steve Donoghue Memorial Fund.

HOSPITAL SUNDAY FUND

The amount of £434 5s. 7d. was granted from this fund, which is a slight decrease of just over £1.

Mr. J. L. Collin is again thanked for the services which he had rendered as Hon. Secretary to this fund.

WORKPEOPLE'S INFIRMARY COMMITTEE

The gross amount received was £31,388 6s. 3d., which shows a decrease of nearly £284 as compared with the previous year. Payments to outside hospitals and medical staff amounted to £10,439 7s. 2d., and the nett payment to the Infirmary Funds was £20,948 19s. 1d. as compared with £18,489 4s.

The Board desire to stress the point—that it is necessary for contributors to continue paying until the Government takes over the hospital in April, 1948.

The commitments in connection with the medical service are extremely heavy and they could not be continued without the full financial support of the contributors.

The thanks of the Board are tendered to the Committee and Contributors for their financial support during the past year, and also to the representatives from that Committee who sit on the Board of Management and other Committees for their advice and assistance.

LADIES' LINEN GUILD

The grant received from the Guild was £270, which was £40 lower than the previous year.

Once again thanks are tendered to the Officers, Collectors and Subscribers for their continued interest and financial support.

INFIRMARY LEAGUE OF HELP

£120 was paid to the General Fund from this Committee and whilst this sum was £90 lower than the previous year, the Board's thanks are given for this financial assistance.

GENERAL THANKS

The Board desire to record their thanks to the Ladies' Committee, Alexandra Rose Day Officials and all other friends for services and financial support which they have rendered to this Institution during the past year.

Also a special tribute to all the staff for the work which they have performed during the year.

The Christmas Festivities for patients and staff were thoroughly enjoyed. There was, as usual, no expense on the General Fund, for which the Board thank those persons who subscribed to this special effort.

JOHN INGLIS,
Chairman of the Board.

Report of the Medical Board

The Medical Board present their report for the year 1946.

Since the last report there have been various changes in the Medical Staff. At the end of September Dr. O. M. Duthie, M.D., resigned and Dr. Sydney Smith, M.R.C.S., L.R.C.P., D.O.M.S., was appointed Consulting Ophthalmic Surgeon. Mr. Bennett-Jones, F.R.C.S., was called up for service in H.M. Forces and Mr. R. W. Doyle, F.R.C.S., is carrying on the Genito-Urinary work. Owing to the illness of Mr. C. P. Brentnall, M.C., F.R.C.O.G., Mr. C. Rickards, M.R.C.O.G., was appointed Consulting Gynæcologist. Mr. J. Meynell has returned from the Forces and has taken up duty as Clinical Assistant to the Eye Department. Mr. L. S. B. Tasker retired from the Medical Board during the year after 25 years service and Mr. Latham resigned at the end of December.

The usual lectures to the Nurses have been carried out by the members of the Medical Staff and the Sister Tutor, and the Hospital Examinations have been dealt with by the local Honorary Staff.

The acquisition of Winmarleigh Ward as an Operating Theatre has been very beneficial to the members of the Surgical Staff.

All members of the Staff are making use of Thelwall Grange since it was turned into an Annexe Hospital and so releasing more beds at the Infirmary.

The extension to the Orthopædic Department has been justified as it has meant smoother working of the Clinics.

The Medical Library has now been brought up to date and we hope to add more books in the near future.

During the year extensive alterations were made in the X-ray Department and new apparatus was installed.

The resident Staff has been augmented by the appointment of a Casualty Officer.

The Medical Board express their thanks to the Resident, Nursing and Administrative Staff for work done during the year.

G. A. SINCLAIR, M.A., M.B., Ch.B.
(Secretary).

CONTRIBUTORY SCHEME AND APPEALS DEPARTMENT

We are told that the proposed National Health Service will become fully operative in April, 1948. Like other Hospitals the Warrington Infirmary will then be taken over by the State. In the meantime the main source of income must be maintained by the machinery which has been working smoothly and effectively since the Hospital was founded. We must be faithful to the memory of those who made so many sacrifices to establish "Our Infirmary". Do not let us fail now in our united efforts to provide the necessary money for its upkeep until the complete administration is controlled by the State.

You who contributed as workers in the various industries, the Employer of Labour, the individual Subscriber, Clubs and Societies, The Church, Ladies' Linen Guild, League of Help, please continue with your unstinted support. Never let it be said that Warrington people failed in the "last hour".

With our present income we could not carry on very much longer. This statement is based on the increased expenditure of the Hospital as explained elsewhere in the report. To be actuarially sound as a business organisation, if we were allowed to carry on as a Voluntary Institution, the rates of the Contributory Scheme would have to be revised. It is a proven fact that as 90% of the patients who receive treatment at the Infirmary are either members or dependants of the Contributory Scheme, the income from the Contributory Scheme should now be about £55,000 a year. With our present rates of contributions this is impossible, as the Scheme has long since reached saturation point.

Taking into account our financial difficulties, an organised Government Scheme would solve many of the present day worries. It is logic to suppose that with our coffers full of money a fuller and improved service would emerge.

Good luck and our blessing to any Scheme that will provide a better and more comprehensive Health Service. My fear of a completely successful Government Scheme is unnecessary bureaucracy and the intervention of red tape. Remove these bogies and success is assured.

During the past year, 50,000 persons contributed the sum of £31,388.

4320 persons received In-patient treatment.

23200 persons received Out-patient treatment.

ANALYSIS OF IN-PATIENTS

2372 persons received In-patient treatment at Warrington Infirmary.

1948 persons received In-patient treatment at other Hospitals.

ANALYSIS OF OUT-PATIENTS

18002 persons received Out-patient treatment at Warrington Infirmary.

5198 persons received Out-patient treatment at other Hospitals.

Total amount received from Contributory Scheme			£31,388
Amount paid to other Hospitals			£9,346
Amount paid to Medical Staff			£1,093
			£10,439

Transferred to Infirmary General Account				£20,949

Grateful and sincere thanks are due to all the Voluntary workers who have given their whole-hearted support and co-operation in connection with the organisation of the Scheme and to the District Secretaries, Stamp Depots and the Press for their invaluable services.

The work of the laboratory is increasing steadily both in the quantity of work carried out, and the scope and variety of the investigations.

Since June last, it has been responsible for the investigation of patients and diseases not only of the Warrington area itself but also of the outlying districts, such as Runcorn.

WARRINGTON INFIRMARY PRIVATE NURSING HOME.

Regulations for the Guidance of Patients, their Medical Attendants and Visitors.

1. Application for admission, except in emergencies, must be made on a special form which must be forwarded to the Superintendent at the Infirmary.
2. The applicant will then be informed if and when he or she can be admitted.
3. Only cases suitable under the Infirmary Rules and By-Laws can be admitted.
4. The patient can be attended by his or her own Medical Attendant, the Honorary Medical Staff having no responsibility except by arrangement with the Medical Attendant. Any member of the Honorary Medical Staff called in as a Consultant will be entitled to a fee for his services.

5. The charge is six guineas per week for a bed in the semi-private Ward and from seven guineas upwards for a separate room according to size. These charges include Board, Ordinary Medicines, Dressings and Service of Nurses. Use of Operating Theatre, Special Medicines, X-Ray and Pathological Examinations will be charged extra.

Patients who require treatment for a period less than a week will be charged as follows:—

One and a half guineas for the first day for the semi-private Ward and two guineas a day for a separate room; for each succeeding day one guinea for a semi-private ward and one and a half guineas for a separate room. If any patient requires the services of a special nurse the usual charge for Private Nurses will be made in addition.

The day of admission and the day of discharge will be charged as one day.

Washing of personal linen cannot be undertaken.

6. All payments must be made weekly to the Superintendent by the guarantor or patient unless otherwise arranged with the Superintendent.
7. The Nursing Staff are not allowed to receive any fee, reward or gratuity of any kind for any service done in connection with the patient.
8. Patients are required to be provided with a proper change of Linen, Dressing Gown, Brush, Comb and Towels, but they are requested to bring no more luggage than is absolutely necessary.
9. The stay is usually limited to six weeks, but may be extended by the Nursing Home Committee on the recommendation of the Medical Attendant.
10. Patients may be visited by the Clergy whom they desire.

11. Visitors will only be allowed by wish of the patient. The ordinary hours of visiting, except in emergency or special circumstances, are from 2 to 4 p.m., and 7.15 to 8.15 p.m. daily.

If permission from the Medical Attendant is obtained visiting will be allowed between 11 a.m. and 12 o'clock daily, but visitors will be required to leave the ward when the Doctor visits the patient or when dressings, &c., require the attention of the Nursing Staff.

The Wards are closed altogether to visitors (except in emergency) from 4 to 7.15 p.m. daily.

Visitors are requested not to enter the Wards without the permission of the Sister in Charge or her deputy, of whom enquiries may also be made.

It is in the interests of the patient not to have more than two visitors at one time.

Articles of food and drink must be handed to the Sister in Charge for use at her direction.

12. The Board of Management is not responsible for the property of patients except when handed over to the Sister in Charge or her deputy and a receipt is given.

Money or articles of value may be handed to the Superintendent for safe custody and a receipt will be given for them.

13. The Board of Management reserve the right to terminate at any time the stay of any patient in the Private Wards without assigning any reason.

The Secretary is always anxious to add new names to the List of Subscribers, and would deem it a favour if present Subscribers would help him by sending the names and addresses of others whom they think likely to be interested in the work of the Infirmary and to contribute to its funds.

If desired, further copies of the Annual Report will be gladly supplied on application.

NOTE.—Recommends are being eagerly sought for, and Subscribers who have no call for them will be doing an excellent service if they would kindly return their Recommends to the Secretary, who would distribute them in places where they are needed.
